SAGUENAY – HISTORY & BEAUTY IN EQUAL MEASURES

It's home to some of the most spectacular scenery in North America – Québec's breathtaking Saguenay Fjord. But from its early days in the 17th century as a French colony and trading post – perhaps best preserved in the village of Chicoutimi with its famous pulp mill – the region is also rich in history. Among the rolling green hills along the fjord, you'll find the charming hamlet of La Baie, settled in 1838. For contrast, the city of Arvida was built in 1927 in "135 days," as the story goes, and is one of Canada's first and best preserved pre-planned model towns. You'll enjoy some of the best scenic cruising ever as your ship sails up into the 65-mile-long fjord en route to Port Saguenay. Once there, you can take in the area's incredible heritage while surrounded by the wonders of her stunning natural splendors on a shore excursion with Princess.

SEE THE MOST ON A LAND & SEA VACATION

The attractions of your Canada & New England itinerary are many. But there's still more to see ashore – much more! Which is why Princess® offers our signature Land & Sea Vacations. Pair your voyage with an escorted land tour to experience either the celebrated sights of Historic America, including beautifully preserved Colonial Williamsburg, the battlefield at Gettysburg and the Capitol building in Washington D.C.; or Canada's greatest hits from sensational Niagara Falls to alluring Montréal.

HALLOWED GROUND — THE BATTLEFIELD AT GETTYSBURG

On July 1, 1863, a battle commenced in and around a small town in Pennsylvania that would prove a turning point in the Civil War and the inspiration for Abraham Lincoln's immortal "Gettysburg Address". The victory of General George Meade over Confederate Robert E. Lee repelled Lee's attempt to invade the north, and helped shift momentum in the war to the Union. Today, visitors can stroll the hallowed grounds of the battlefield and learn all the details of this legendary conflict on our Historic America Land & Sea Vacation.
